David Barkett, Alexander County Sheriff, received a new lease on life in 1992 when he received a bone transplant. Donor bone was used for a spinal fusion surgery, which gave him back his freedom to move and took away his pain.

“Since receiving a transplant, I now know the true value of organ and tissue donation. I am very grateful to my donor family.”

Please join the Organ/Tissue Donor Registry today and give someone else a second chance at life.
