On Sept. 19, 2006, James' life changed forever. That was the day his son, Jim, donated a kidney to him and gave him a second chance at life.

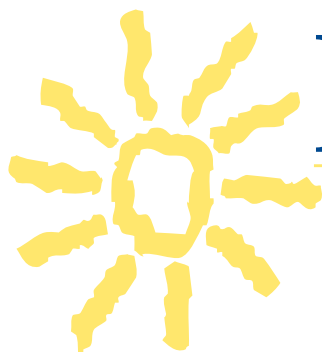

"It feels good to help others and this was my opportunity to help my father."

James, Jim and their families are doing great and look forward to a wonderful life ahead thanks to the transplant.

Please join the Organ/Tissue Donor Registry today and give someone else a second chance at life.
