

you can make a difference!

Be an organ/tissue donor • Be an organ/tissue donor • Be an organ/tissue donor

A victim of severe asthma since she was a baby, Megan's only hope was a lung transplant. After waiting a total of six years she received a double lung transplant at age 27.

Megan has participated in her first theatre production and is able to chase her nephew around.

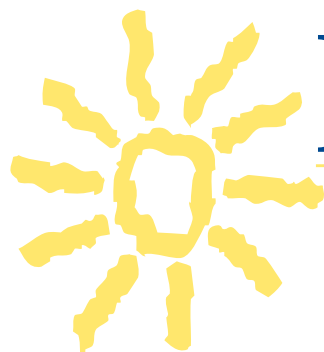

Please join the Organ/Tissue Donor Registry today and give someone else a second chance at life.

Megan Herdegen

Double lung recipient —
Arlington Heights, IL

*"You can change someone's life
by being a donor."*
