

# you can make a difference!

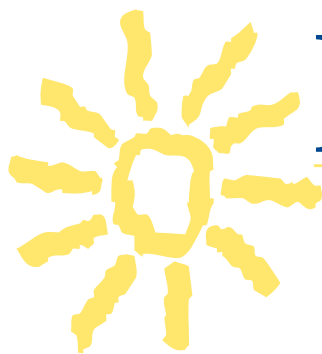

Be an organ/tissue donor • Be an organ/tissue donor • Be an organ/tissue donor

Don received a kidney more than 14 years ago and since then has enjoyed a healthy, happy life with his wife and family. Because of a compassionate donor family, Don has been able to enjoy his grandchildren and volunteers for the Secretary of State's Life Goes On Program and Mid-America Transplant Services. He and his wife visit area schools to spread the word to students about the importance of donation.

Please join the Organ/Tissue Donor Registry today and give someone else a second chance at life.
