Liver recipient
Belvidere*

are **YOU** registered to be an organ/tissue donor **?**

Royal White was a young father and policeman when he began a journey of medical catastrophe that spanned more than a decade. He was told several times that he would not live due to cancer, disease and liver failure. Because of blood, marrow and two liver donors, he is a 31-year veteran of the Belvidere Police Force and has raised his two daughters.

Please join the Organ/Tissue Donor Registry today.
