

*Casey Williams  
Organ/Tissue Donor  
Assumption, Illinois*

are **YOU** registered to be  
an organ/tissue donor **?**

Casey Williams was a vibrant, fun-loving, free-spirited 23-year-old. She was a college student planning to become a special education teacher, working two jobs, and excited about the new life path she had chosen. Sadly, in October 2009, she died in a car accident on her way to work. Because of her decision to join the Secretary of State Organ/Tissue Donor Registry, Casey helped improve the lives of several people through tissue donation.

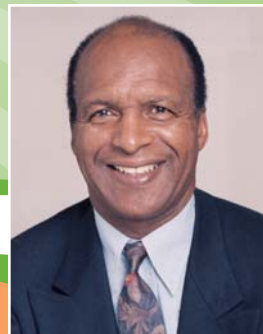

**“And now to the rest of you, take a moment out of your busy day, join the registry, donate blood, do something Casey would have done, and did, everyday.”**
