Over 5 million Illinois residents have joined the Organ/Tissue Donor Registry. Yet, it is still not enough to meet the growing demand of those waiting for lifesaving transplants. More than 4,000 people in Illinois alone are awaiting transplants. Sadly, many of them will die waiting.

To help increase awareness about organ/tissue donation, my office offers Organ/Tissue Donor License Plates. The plates pay tribute to the late Chicago Bears great Walter Payton whose struggle with a rare liver cancer brought organ/tissue donation to the forefront of the public conscience. By purchasing a set of these plates you will help in our continued efforts to educate people across the state about the critical need for donors. One donor can help as many as 25 individuals.

I encourage you to take a few moments to join the Organ/Tissue Donor Registry. By doing so, you could help someone get a second chance at life.
